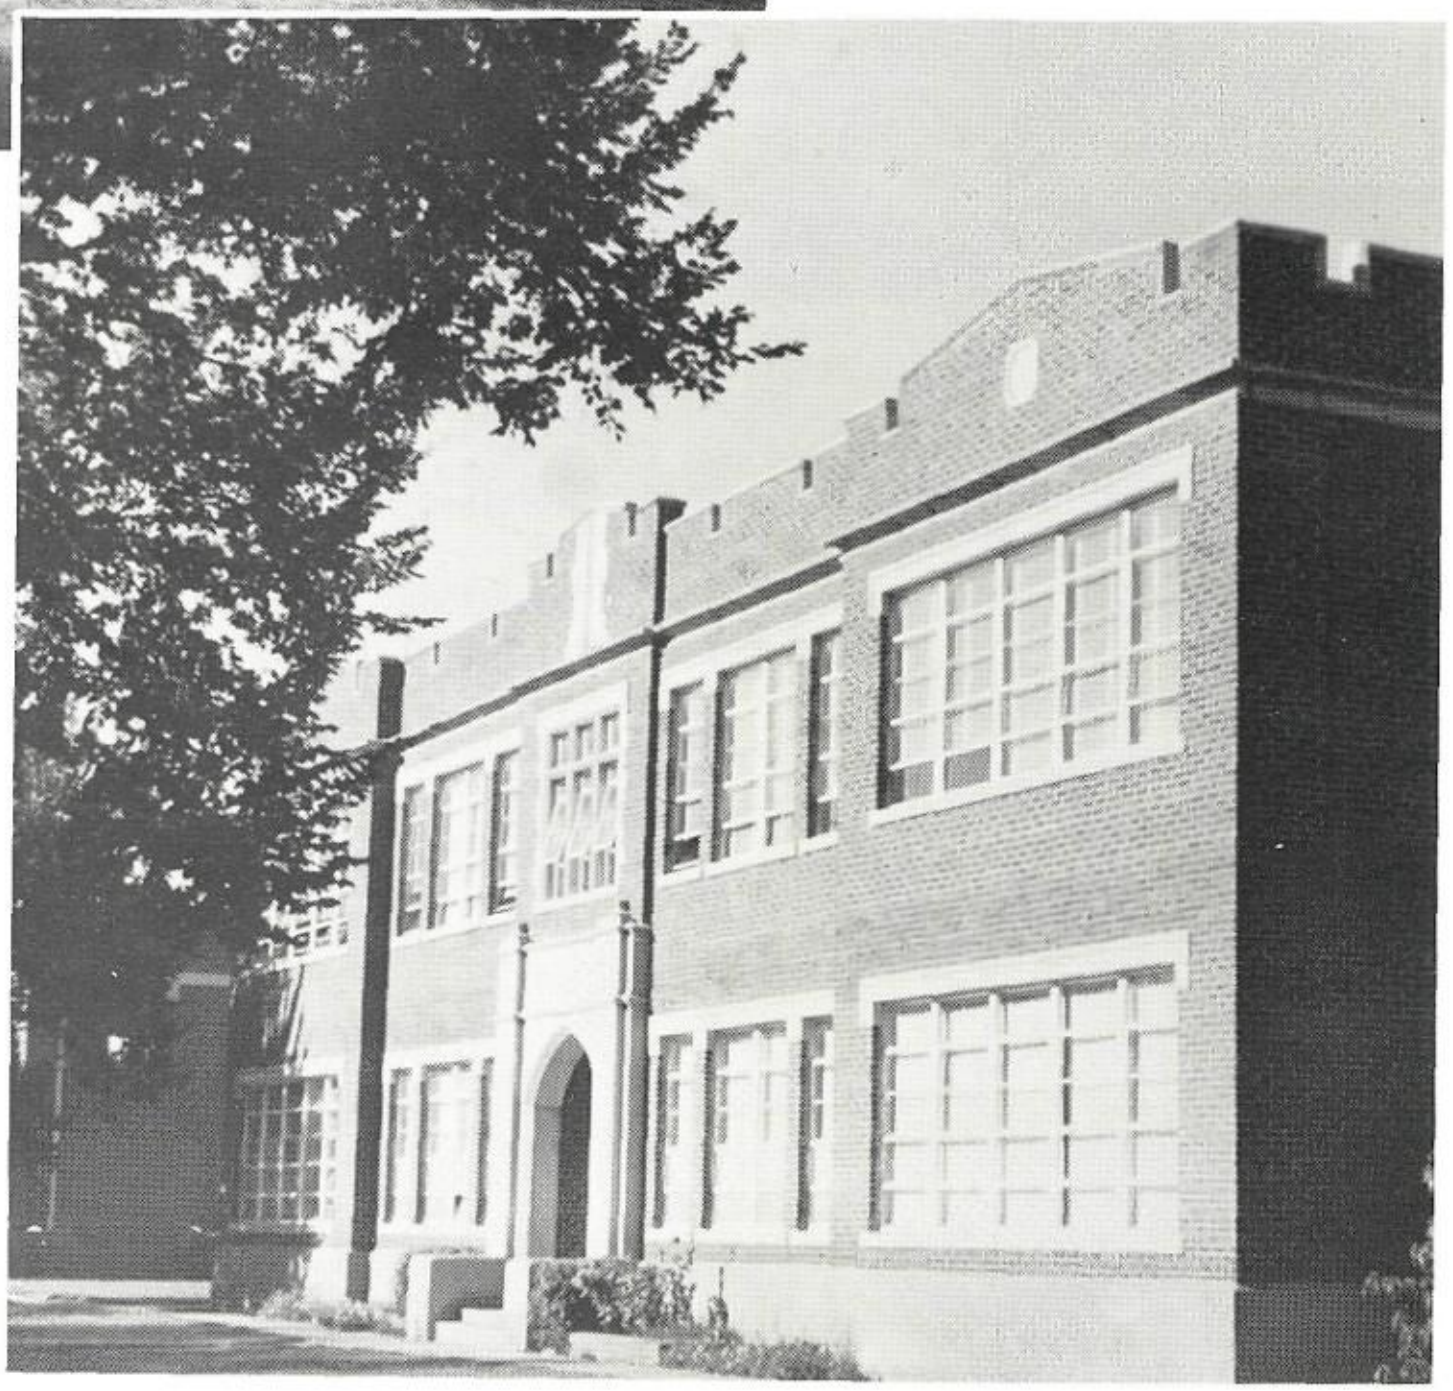
GRANT COUNTY RURAL HIGH SCHOOL



Foreword

This school year marks the fiftieth anniversary of achievements, dedication of purpose, disappointments and failures for Grant County Rural High School. To honor this occasion, we of the Tiger Yearbook Staff are dedicating the 1961-62 yearbook to the fiftieth birthday of GCRHS.

In 1911, Representative Alexander was instrumental in passing legislation which made it possible for Grant County to establish its own high school. Since there were no funds to construct a special building, the citizens generously set aside two rooms in the old court house which were to be used until the present building was finished in 1924. Although GCRHS started as a two year school, it now sees over sixty percent of its graduates attending a college or university.

Administration

Mr. Lipper was employed as the first and only teacher. Subjects offered that year included English I and II, Algebra I and II, Ancient and Modern History, Botany and Latin. In 1915, due to the efforts of Mrs. Dan Sullivan, the school was fully accredited and classified as a "C" school. 1924 marked the completion of the first high school building and gym, and in 1952, the second building was dedicated. Thus in fifty years, GCRHS has grown from two rooms in the second story of an old court house to a campus with four modern well-equipped buildings, from a faculty of one to twenty-one, from an assessed valuation of $1,541,000 to over $24,231,000.

Administration-Office

Administration staff of GCRHS included the principal, office personnel, and board members.

As administrative head, Mr. Harold Pitts made the schedule of activities, planned a budget, and took care of pre-enrollment. After school began there were the responsibilities of keeping order, setting up a budget, and making reports. He also had to plan the classes for the next year; number of classes for each subject, number of teachers needed, etc.

Mrs. Helen Durham, secretary, kept books and handled most of the business activities. Diane Blehm assisted her in her work. It was their duty to see that announcements were made, students' schedules were ready for reference, plus many other jobs.

Helping students select the right vocation and school for their particular needs was part of Mr. Jay McGaughey's job. He administered tests, helped students with special problems, and discussed possibilities of scholarships with students.

Faculty Engages in Various Activities

Seven teachers were added to the staff at GCRHS for this school term. Included in this group was one Math teacher—Mr. Martin, two English teachers—Mrs. Martin and Miss Harvey, a Spanish instructor — Mr. Montoya, Social Science—Mr. Gleason, Music—Mr. Gregory, and a Home Economics teacher—Mrs. Wells.

The faculty consisted of a total of twenty-one teachers. Besides their major role of teaching, they acted as class and organization sponsors, sponsors on trips and also at various school activities. During the basketball and football seasons, faculty members took tickets, etc. at the games.

Students were entertained by the faculty at a pep assembly given during the regional tournament. Earlier in the season faculty men participated in a game against the varsity squad with the varsity winning only after much hard work and effort.

Other activities that the teachers took part in were the annual Christmas party, Grant County Teachers' Association, and the Faculty Picnic held the last week of school.

Departments

Even though much work was needed to get the school on its feet, still Mr. Lipper found time during that first year to direct an all school play, "Sweet Girl Graduate." In 1919 the debate teams were debating the question: Resolved: That it would be an unwise policy for the US to enter the League of Nations.

English Department

Writing Emphasized In English Classes

Fours years of English were offered at G.C.R.H.S. The staff of the English Department consisted of four teachers: Miss Sarah Harvey, Mrs. Mary Jo Martin, Mrs. Patricia Steen, and Mr. Sandford Day.

In English I students were taught the basic rules of correct grammar, writing and spelling. Two of the six-weeks periods were spent in Mr. Bogue's speech classes. Miss Sarah Harvey was the English I instructor.

Review grammar, vocabulary building, and writing were taught by Mr. Day in his English II classes. The Sophomores also had twelve weeks of speech.

Emphasis was placed on writing in Mrs. Martin's English III classes. A research theme was written during the second semester along with shorter themes. Vocabulary, spelling, and grammar were also included in the year's study.

Under the instruction of Mrs. Steen and Mrs. Martin English IV classes spent most of their time writing themes and reading literature. Some time was spent on grammar and vocabulary building.

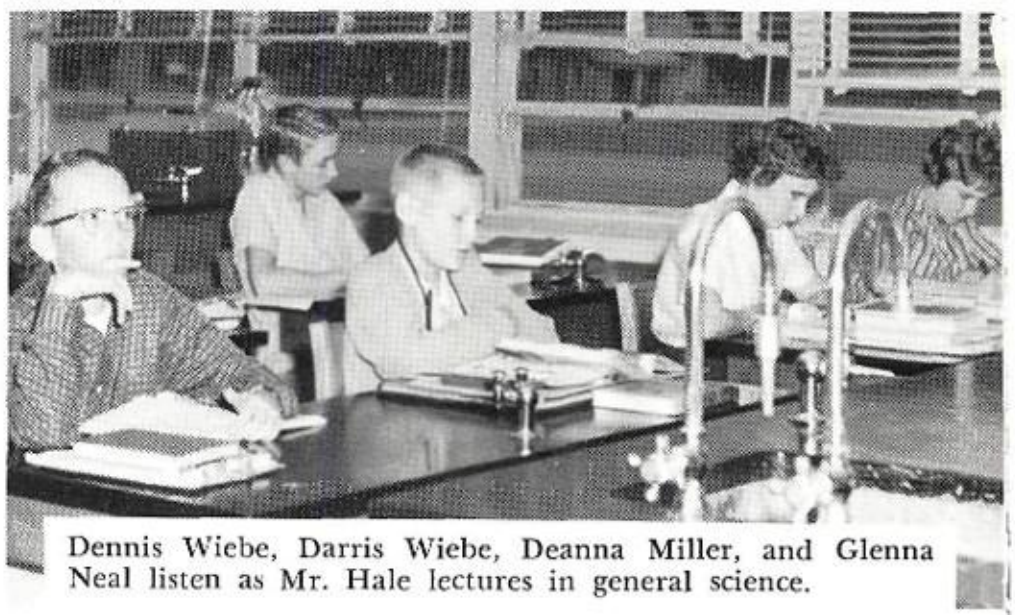
Biology students listen intently as Mr. Cole explains heredity and genetics.

Mr. Martin teaches Algebra I students how to multiply square roots.



Dennis Wiebe, Darris Wiebe, Deanna Miller, and Glenna Neal listen as Mr. Hale lectures in general science.

Science and Math Dept.

Science-Math Offers Variety of Courses

Mr. Gerald Witten taught the courses in chemistry and Physical Science Study Committee (PSSC). Physics is divided into four main divisions; the universe, optics and waves, and mechanics, and electricity and atomic structure. Physics students worked problems, read out of the textbook, performed approximately 40 lab experiments, and watched special made PSSC films.

The primary interest of chemistry was to learn the basic concepts and skill that would be beneficial in later science courses. These concepts were skill in measuring, learning to use the slide rule, effective problem solving techniques, and getting experience in graphing. Chemistry students performed about 30 experiments.

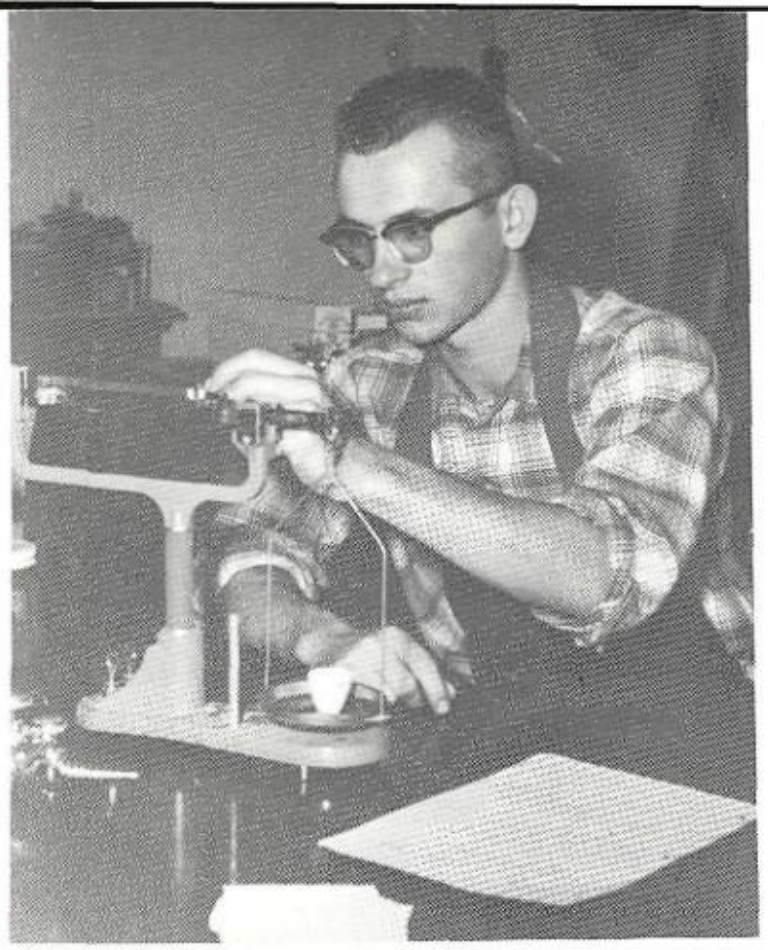
Mr. Cole taught the biology classes at G.C.R.H.S. The students looked at minute organisms under microscopes, disected less complicated animals, and studied their living habits. Prehistoric animals, atoms, diseases, and parts and functions of the human body were studied.

Reflection and refraction of light, the colors of light, water, electricity, and sound were all units covered by H. D. Hale's general science class. A short time was also spent on health.

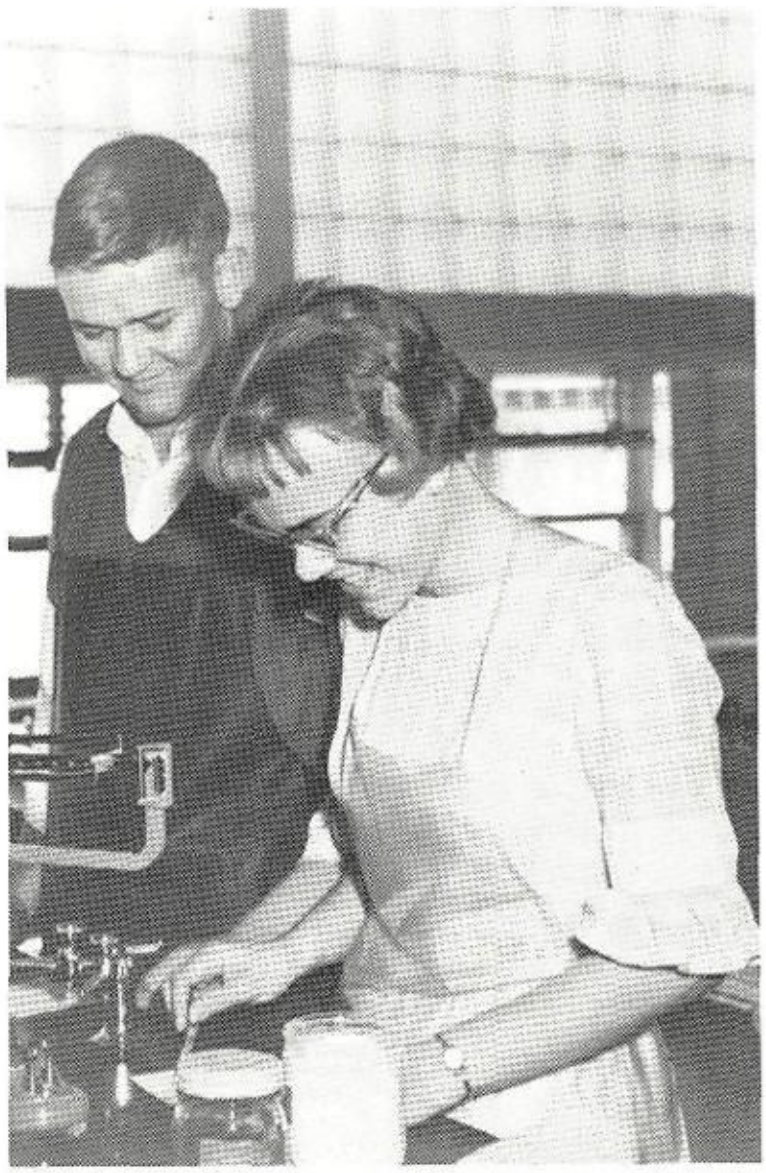
The teachers of the math department included Mr. Cole, Mr. Hale, Mr. Martin, and Mr. Witten.

General math, algebra, and math IV were taught by Mr. Martin. The fundamentals of math were reviewed in the general math class while algebra I introduced the basic rules of algebra. Math IV included the study of trigonometry and analytic geometry.

To continue the study of math, geometry was offered under the instruction of Mr. Hale. Algebra II, taught by Mr. Witten, was the next course offered in math.

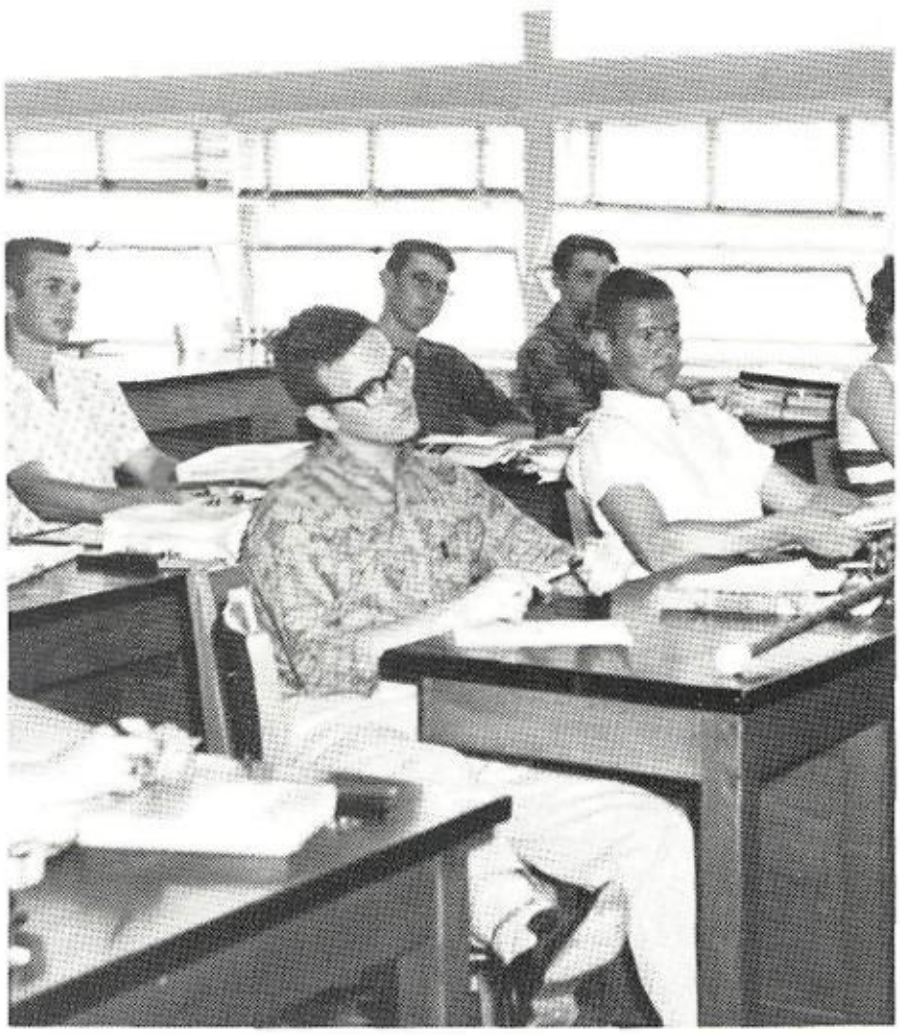


Yaroslaw Petryszyn uses the scales to gather data for an experiment.



Richard Martin and Mary Ann Clarkin perform an experiment in chemistry.

Mr. Martin and his Math IV students survey the school yard as a practical application of the course.



Chemistry students listen carefully to one of Mr. Witten's lectures on modern chemistry.

Mr. Raines goes over a chapter outline with a class in American History.

Social Science

Social Sciences Study Governments, History

Included in the social science department of G.C.R.H.S. were sociology, American history, American government, and citizenship.

Mr. Gerald Raines taught the three classes in American history. The United States, its beginning, wars, presidents, and everything that made history were studied. An outside reading program was also included with the course.

In sociology students studied social systems and relationships. These included studies of the smallest to the largest social organizations. American government included the study of the different state departments of the United States, their methods and functions. Different types of governments were also studied.

Mr. Gleason gives a lecture to his freshman citizenship class.

Debate-Speech

Debate Squad Finishes A Successful Season

The topic chosen for this year's debate question was Resolved: That the Federal Government should equalize educational opportunities by means of grants for public elementary and secondary schools.

The first tournament was held at Russell, Oct. 13-14, with three teams from here competing. None of them placed or at the second one held at Garden City, but at the Pratt tournament two teams—Caldwell and Lattimore, and Bogue and Buckner were undefeated in the six preliminary round. Bogue and Buckner won the toss to see which team would compete in the finals, and they went ahead to place second, losing to Hutchinson in the final round.

No one placed in the subsequent tournaments at Dodge City, Oberlin, Syracuse, Ulysses Novice and Hays. Then on Dec. 8-9, Lattimore and Caldwell won first at Hutchinson in the largest tournament ever held in the state. Going through the six preliminary rounds undefeated and with perfect speaker points, they then proceeded to take the quarter, semi, and final rounds to win the trophy. The regular season ended with the Emporia and Ellinwood tourneys.

The District team continued to work, and tied with Meade for first place at District. The same debaters then traveled to the State tournament in Wichita where they placed sixth.

Mr. Bogue worked hard to prepare his squads for tournaments.

Speech Festival

Linda Receives Ones At Speech Festival

Due to various conflicts, Linda Buckner was the only entry at GCRHS at the District Speech Contest held at Dodge City on March 16. Linda was entered in two divisions, poetry interpretation and extemperaneous speech. She received a one on her poetry interpretation, "Home Burial," by Robert Frost. The topic which she drew for her extemp. was "President Kennedy's leadership in Congress." She also received a one on this and was eligible to attend state festival at Dodge on April 6. Here again she received two ones.

Linda has been quite active in speech work, is a third year debater and has participated in the speech festival during all of her four years in high school.

Business

Efficiency, Accuracy Stressed In Business

Several courses important to business majors were offered at G.C.R.H.S. Included were typing, shorthand, office practice, bookkeeping, and general business.

Typing for vocational and personal use was taught by Miss Henkle. The course in functional typing alternated with a general business course. Shorthand and office practice were also taught by Miss Henkle. Speed and accuracy were stressed in the two shorthand classes.

A dictaphone, mimeographs, duplicators, and stenciling equipment were among the office machines the students in office practice learned to use.

Learning to keep a set of books for different kind of businesses was taught by Mr. Day in his bookkeeping classes. He also taught a class of functional typing.

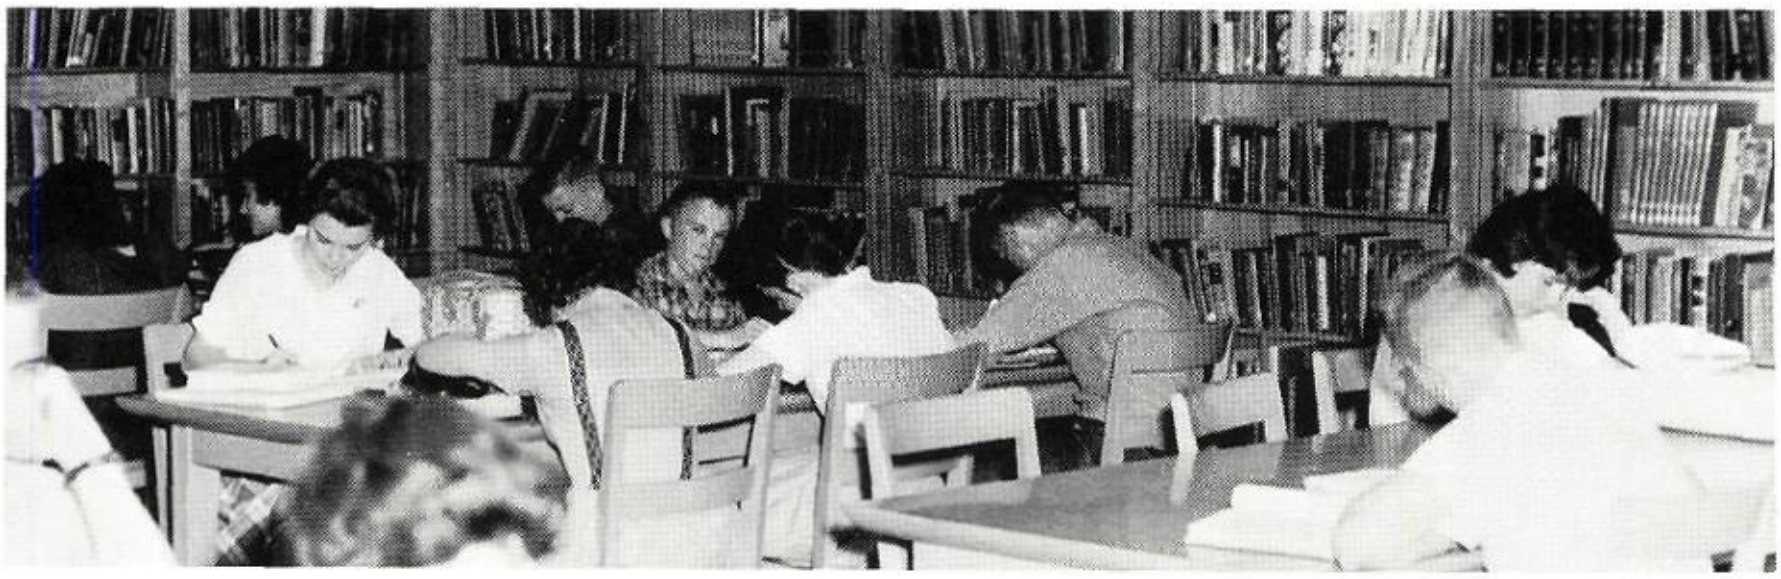
Library

Well-Equipped Library Available to Students

The Grant County Rural High School library was maintained by Mrs. Jacqueline Hand assisted by Jeryl Sullivan, Virginia Forrer, John Miles, Carol Prichett, Donna Wolven, Sue Banks, Steve Brooks, and Janice Sappington.

The collection of reference, biography, and fiction books totaled nearly 2300. By the end of the year, nearly 6000 books were checked out. A complete file of magazines printed in the Reader's Guide for the past five years was also available to students. Occupational and vertical files were also available.

Assistants were on duty every school hour as well as one hour before and after school.



The library provided a quiet place in which to study.

Girls' Phy Ed

Second Year of Girls' Phy Ed Added

Two classes in physical education for girls were offered at G.C.R.H.S. under the instruction of Mrs. Pat Steen. One year of physical education was required.

First year girls physical education classes did stunts and tumbling, played soccer, volleyball, basketball, softball, and engaged in individual sports. Conditioning exercises were also included in their daily classes.

In second year physical education, girls were taught golf, bowling, paddle tennis, table tennis, lawn tennis, the use of the trampoline, and how to play badminton.

Activities in P.E. Varies With Season

Two years of boys' physical education were offered at G.C.R.H.S. with Mr. Jay McGaughey as instructor. All boys were required to have at least one year of physical education before they could graduate.

The activities in these classes varied with the season. Touch football, volley ball, basketball, soft ball, and tennis were part of the activities they participated in. Learning to use the trampoline, high bar, and climb ropes as well as the routine physical fitness exercises made up a year's work.

Home Economics

Seven Major Areas of Home Ec Studied

Seven major areas of homemaking were studied in the three levels of home economics given at G.C.R.H.S. This plan was introduced for the first time in Kansas schools this year. Areas studied were child care; clothing; health; home management, houses, furnishings, and related arts; foods and nutrition; and personal and family relationships.

Caring for children in the home, personal safety, personal appearance, sharing responsibilities of the home, managing money, time, and abilities, and learning how art plays a part in home life were all parts of first year study. Planning of her own home room was also included. As sewing projects, an apron, skirt, and blouse were required.

Second year students planned wardrobes, made pattern alterations, fabric selections, and preparation, and restyling of garments. Preparations for home emergencies, guiding preschool children, decisions in consumer education, furnishing and decorating her home, exploring career fields, and the importance of serving were also studied.

The same pattern was followed for third year students. Special types of meals such as foreign, convalescent, and parties were prepared. Family and community health, clothing for the entire family, management in family living, future homes, and other things were included in this course.

Spanish

Spanish Students Use Laboratory Equipment

Spanish students were very fortunate in having Mr. Gregory Montoya as their teacher this year. Mr. Montoya, who previously taught at Yates Center, traveled a great deal in Europe and visited many of the Spanish-speaking countries. He is a graduate of Southwestern.

Spanish I and II students enjoyed the usual verb conjugations, vocabularys, and written work. Spanish III students however gave several speeches in Spanish and become more proficient at speaking the language. Stories, written in Spanish, were read aloud by the students as well as themes which had been written by the students themselves. Laboratory equipment which had been installed several years ago was used again to give all the students practice in speaking Spanish. A total of fifty-six students were enrolled in Spanish I, II, and III.

In addition to studying Spanish pronunciation and sentence structure, much time was also spent in learning about the Spanish speaking countries. Spanish I students wrote research papers and studied the customs of the various countries.

Modern lab equipment is being used by the Spanish III class.

Art

Practical Approach To Art Supplemented

Art I, II, and III courses were offered at G.C.R.H.S. the past year under the instruction of Mrs. Jacqueline Hand.

Some of the different kinds of art taught were sketching, line models, grafic processes, weaving, sculpturing, and oil and water color paintings. These courses included crafts as well as fine arts. Puppetry and modern art were also included in these classes.

The art students supplemented their practical approach with history, film strips, pictures, and by making reports on different artists. For two six-weeks periods they followed a prescribed course and were then allowed to make their choice of study.

Vocal

Groups Take Part in Various Activities

Presenting concerts, going to contest, and singing at other programs were the activities of music groups from the G.C.R.H.S. music department. Freshmen mixed glee, boys' and girls' glee, and robed choir were the larger groups under Mr. Bill Gregory's direction.

A Christmas concert was presented by the choir and glee clubs. Traditional and popular Christmas carols were sung. The Madrigal group sang between the larger groups. A spring concert was also given.

The choir, glee clubs, Madrigals, Girls Triple trio, Boys' Double Quartet, and soloists went to Dodge City to the district music contest. Those receiving "1" ratings went to Hays to the state contest.

Accompanists were Trudy King, Iris Schmidt, Connie Rouse, and Janie Britton.

Sax sextet consisting of Trudy King, Allan Cadwell, Robin Schwein, Claude Alexander, Sharon Stutzmam, Connie Stuart received I's at both state and District festivals.

Instrumental Ensembles

Instrumental ensembles were chosen by Mr. Wolf on the basis of ability. Those not pictured and receiving I's at District were saxophone quartet: King, Stutzman, Caldwell, and Alexander; Clarinet choir: Gordon, Lattimore, Clarkin, Williams, McClaren, Dearing, Leigh, Simmons, L. Lowry, Miles, Neal, Young, Lofland, Morris, and Boldt. Others entered and their ratings were the brass choir—III: Eck, Fox, DeGarmo, B. DeGarmo, Bogue, Webber, Deyoe, Kliewer, Dahlquist, Wiebe, Hall, D. Wiebe, D. Gossman, and Flanders; Brass sextet—IV: Blehm, Fox, D. Wiebe, G. Wiebe, Bogue, D. Kliewer; and the Trumpet Trio—III: Eck, Blehm, and B. DeGarmo.

Soloists and their ratings were King, I on tenor sax at district and state, and a I at district, and II at state on piano; Becky Lattimore, II at district on clarinet; Gordon, II at district on clarinet; S. Bogue, II at district on trombone; Stallings, II at district on drum; and Harms, III at district on piano.

Trumpet trio made up of Bill DeGarmo, Robert Bhelm, and Tony Eck, received a III at district.

Becky Lattimore, Louise Gordon, Janice Kepley and Mary Ann Clarkin received I at district and III at state on their number.

Connie Rouse and Trina McClaren, majorettes, led the band in their various marching routines.

Dinah Rushing Lorlovick was solo twirler.

Carol Young, Carol Gepner, and Margaret Beveridge twirled at football games and parades.

Band

Students Make Numerous Appearances

Grant County High School Band, under the direction of Mr. George Wolf, made several appearances throughout the school year: playing at school programs, parades, graduation exercises, and all basketball and football games.

The repertoire of the band included such numbers as "First Suite in Eb for Military Bands," by Gustov Holt, "Four Pieces for Band," by Bila Bartok, and Cujus Animan, by Rossini. Several books of marches were included for use at football and basketball games.

Dinah Rushing, Margaret Beveridge, Carol Gepner, Cherilyn Cherry, and Carol Young, the five twirlers, and Connie Rouse, and Trina McClaren, majorettes, led the band in their various marches and formations.

In December, several members attended the Reading Band Clinic held at Garden City. For the first time, three members from the high school band were chosen to attend the KMEA Band at Wichita on February 16 and 17. They were David Kliewer, Trudy King, and Becky Lattimore. These students were selected on the basis of their musical ability and scholastic record.

Industrial Arts

Modern Equipment Used in Classes

Two major areas of shop, wood and metal, were offered at G. C. R. H. S. under the instruction of Mr. George Melcher and Mr. Darrell Major.

Basic drawing and the 3 areas—wood, metal, and plastic, were studied in General Shop. The purpose of this class was to help a student determine the area he liked best.

In woodworking, Shop I boys were introduced to machines and taught their use. Step stools, bed head boards, and small desks without drawers were shop I projects. Shop II students made end tables, bed head boards, and desks as projects. Larger and more difficult projects were made by senior boys in Wood Shop II.

First year metal shop studied welding, foundry, forging, sheet metal spinning, sheet metal and lathe work plus making projects such as micro-bikes, wrought iron, mowers, and cattle chutes. Metal shop II studied auto mechanics and had machine projects. Advance projects like welders, stubble choppers, and tractor blades made the Shop III course.

Cooks and Custodians

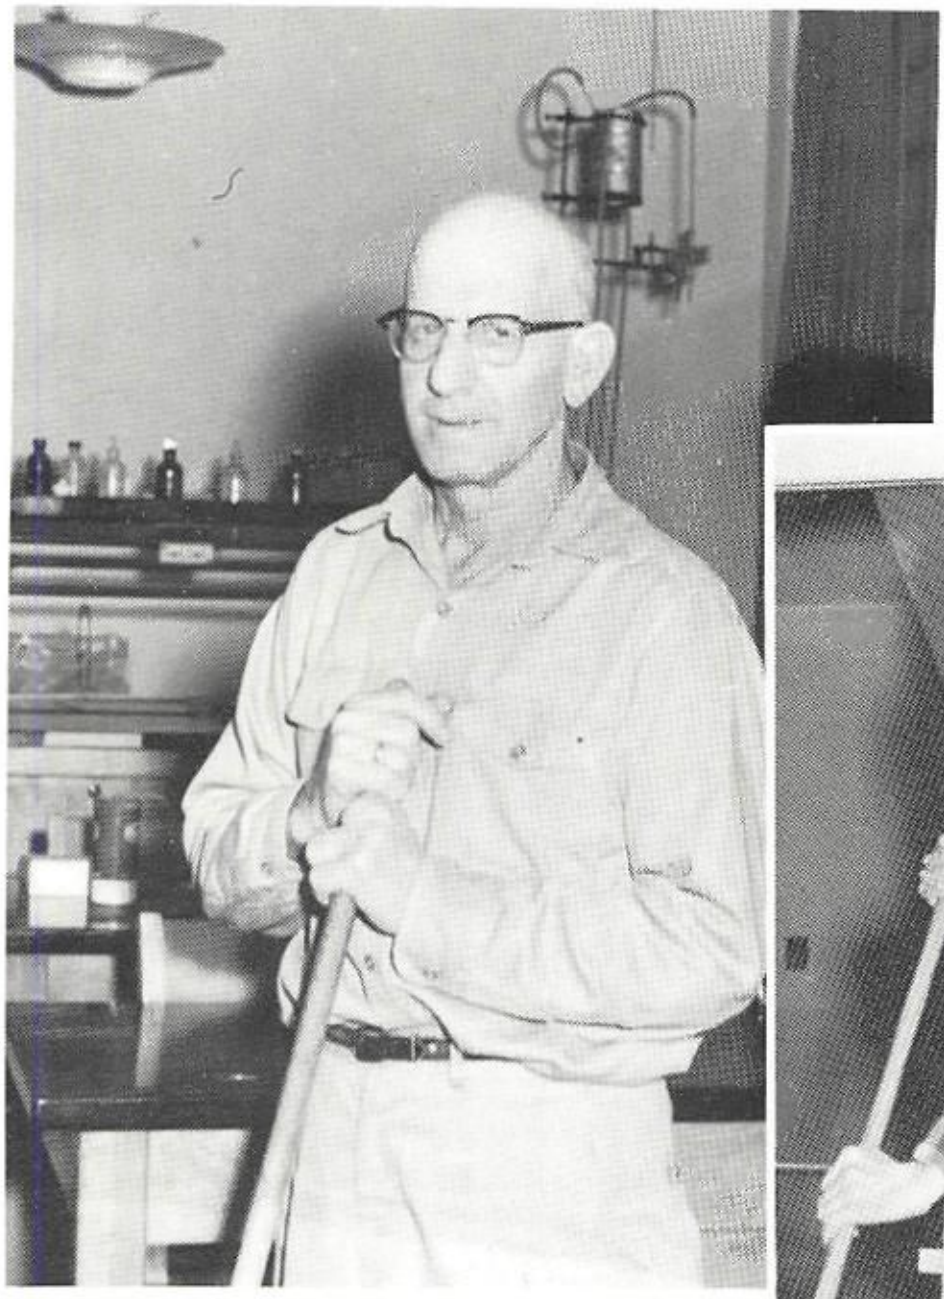
Maintenance Staff Needed for Efficiency

Lunch hour is one period which all students look forward to with great expectation. Preparing the lunches this year were Mrs. Esther McGillivray, Mrs. Corrine Gee, Mrs. Iva Bricker, and Mrs. Med Mead. These women had the very important task of not only preparing a good meal, but also a well-balanced one. Special meals were served on or before holidays. Louise Gordon, Dorothy Bridwell, Butch Lambert, and Carol Taylor helped the cooks by pouring milk and checking off those students who ate each day.

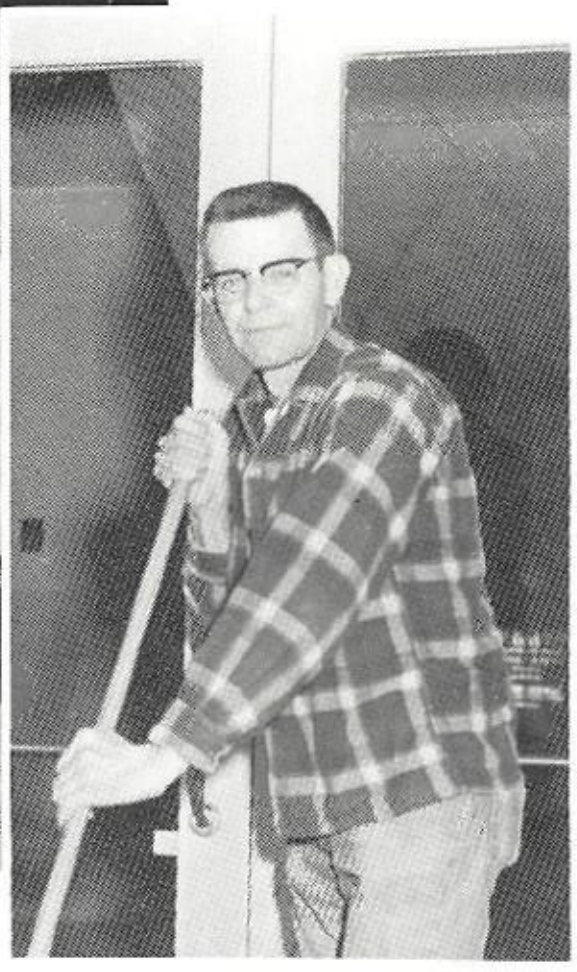
Closed lunch hour was used again this year with the students divided into three groups, each eating lunch at a different time. The cooks served approximately two hundred sixty people each day.

Ranking just as high as the cooks in making our school an efficient body are the three custodians: Leo Wright, George Conrad, and Paul Swisher. These men perform a variety of tasks including cleaning the buildings, equipment, and furniture, as well as opening the doors at odd hours to let in students, who have just got to have that book they left in that certain teachers room. Both the cooks and custodians kept our school running smoothly.

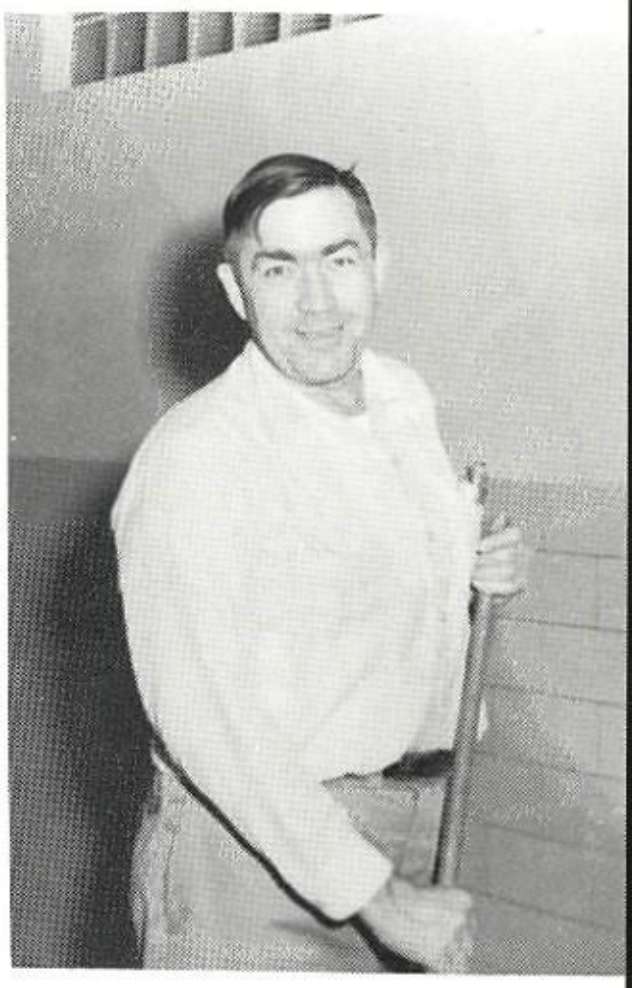
Mrs. Gee hands a plate of fried chicken while the other cooks fill the plates.



Leo Wright, head custodian at GCRHS, cleans chemistry room.



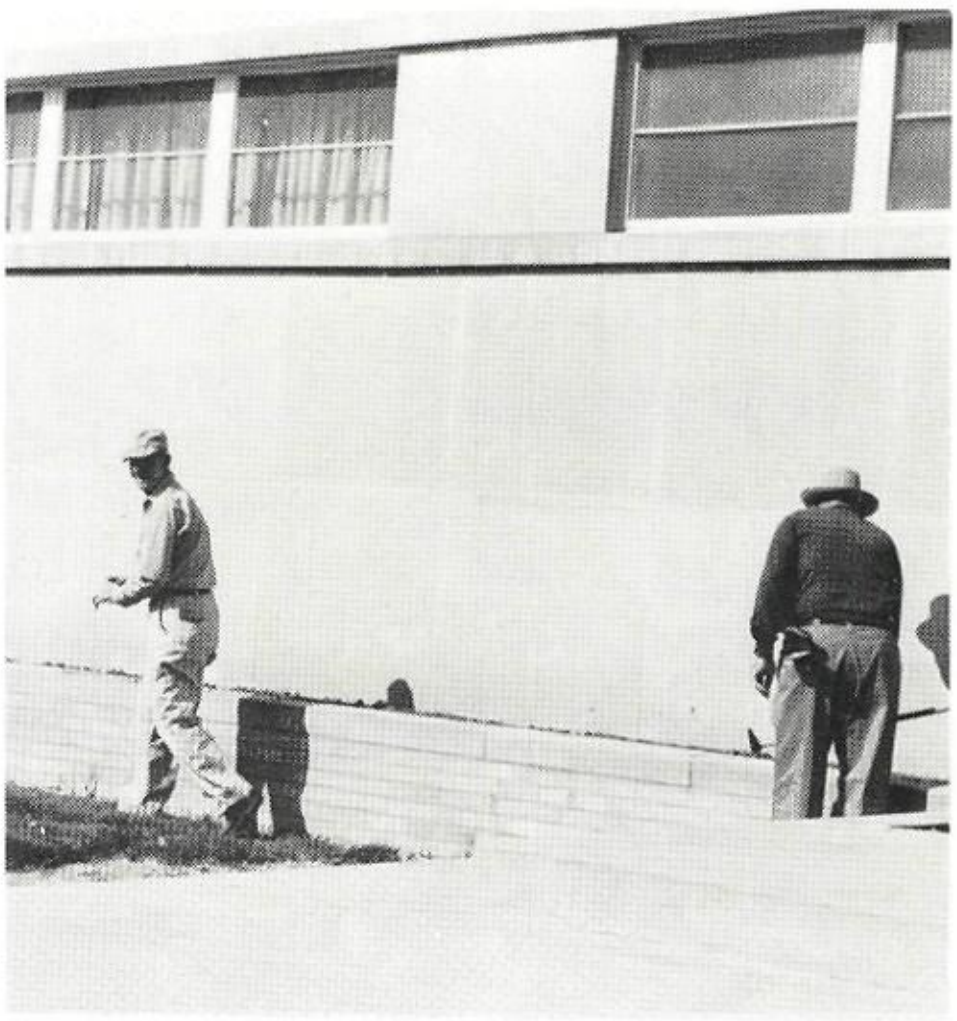
George Conrad, one of the new custodians, sweeps sidewalks.



Paul Swisher mops the hall.

Senior girls propose toast to excellent meal.

Mr. Wright and Mr. Swisher plant flowers in the planter in front of the new building.



Organizations

The Phyloctetes and Ster o' Pep Literary Societies were among the first clubs to be formed. In 1918 a debate society, dramatics club, and Girls' Welfare Club were added. The first yearbook and school paper entitled the "Bulletin" were both published in 1919. The first student council was organized in 1923 and proved so effective it was decided to reorganize it the following year. Camp Fire Girls was also formed during that same year. In the years that fol lowed, clubs were added, some dropped, some changed to regular classes, until today we have a total of seven.

Governing Body Active During Entire Year

To provide student government is the purpose of an important organization, the governing body of the school, the Student Council. The Student Council was sponsored by Mr. Harold Pitts, the principal of G.C.R.H.S. The officers of the Student Council were President, Bill Gettler; Vice-President, Becky Lattimore; Secretary-Treasurer, Iris Schmidt. Twenty members made up this governing body of the school. The Student Council members met on Thursday, two times per month.

The Student Council was very active throughout the entire year. One of their main activities was to determine the classes and organizations that would have concessions during football and basketball seasons. At the beginning of the school year they cleaned the seats in the new gym. A Christmas tree, located in the main lobby of the school, was decorated by members of the Student Council. They were also in charge of the operation of the juke box for school parties, and chose the lyceum numbers for the next year.

U-Club

Lettermen-Pledges Aid Athletic Interests

The U-Club consisted of 25 members who met once every two weeks in the Driver's Education Room of the old building of G.C.R.H.S.

The purpose of this club was to strive to protect and advance the interest of athletics in the school. U-Club was responsible for all the work relating to athletic interests, some of which were reception committees, tournament hosts, etc.

These members were responsible for the upkeep of the large U signs located on the highways coming into Ulysses. U-Club sponsored an all-school party when their pledges were initiated into the club. Another work detail of the members of U-Club was the painting of the ticket booth, located at the football field.

121 Girls Emphasize Importance of Homes

There were 121 members in F.H.A., Future Homemakers of America, who met the first and third Tuesday of the month.

The purpose of the organization was to promote a growing appreciation of the joys and satisfactions of homemaking, to emphasize the importance of worthy home membership, to encourage a democracy in home and community life, to work for good home and family life, to promote international good will, to foster the development of home and community life, to provide wholesome individual and group recreation and to further interest in Home Economics. Their motto was "Toward New Horizons."

Some of their activities were an F.H.A. Conference at Garden City, Sock Hop Dance, mending curtains for the old gym, collecting articles for degree work, State F.H.A. Meeting at Topeka, and sending two girls to summer camp.

The officers were Sharon Stutzman, President; Iris Schmidt, Vice-President; Linda Sullivan, Secretary; Virginia Forrer, Treasurer. Club sponsor was Mrs. Irene Wells.

Y-Teens

Club Built Fellowship Based on Christianity

President, Becky Lattimore; Vice-President, Virginia Forrer; Secretary, Janice Kepley, and Treasurer, Kathy Olson headed the Y-Teen organization, sponsored by Miss Linda Henkle. Approximately ninety members belonged to this club in which membership was open to any girl who wished to subscribe to the purpose. The dues were $1.00, of which thirty-five cents was sent to Kansas District Y.W.C.A. Different standing committees were also a part of the organization, and a girl was elected to act as chairman for each one.

Regular meetings of the Y-Teen Club were held on Thursdays of each school month unless there was something else taking place. Some of their activities included the Y-Teen Formal, a car wash, and a bake sale.

The purpose of this club was: To build a fellowship of women and girls devoted to the task of realizing in our common life. Those ideals of personal and social living to which we are committed by our faith as Christians. In this endeavor we seek to understand Jesus, to share his love for all people and to grow in the knowledge and love of God.

Orange-Black Wearers Promote Team Support

At all G.C.R.H.S. ball games there was plenty of cheering coming from the Pep Club which consisted of 134 boys and girls, who supported the athletic teams as gracious winners and losers.

The purpose of the Pep Club was to uphold and promote all school spirit. This was done by posters in the hall, organized cheering at the games, and by having a pep rally before a game.

Officers for this club were Mary Ann Clarkin, President; Donna Dearing, Vice-President; Ann Akagi, Secretary-Treasurer; Sandy Goodson, Student Council Representative; Miss Sarah Harvey and Mrs. Mary Martin, Sponsors.

Club Members Stress Industrial Studies

I.A.C. stands for Industrial Arts Club. The sponsors for the club this year were Mr. George Melcher and Mr. Darrell Major. This club consisted of 26 members, each having had one or more years of experience in the Industrial Arts Department. These members met once during each month in Room 18.

The purpose of this organization, the I.A.C., is to maintain group participation in work and in social activities. The club stresses industrial study . . . occupations, job opportunities, and skills.

One of this club's activities was the selling of popcorn at the football and basketball games. They sold seat belts, thus helping to promote safety. Fun nights were held once a month. This activity was continued throughout the entire school year.

Each year the members of I.A.C. take a Spring Industrial Tour. They go to several large industries located within a certain area. Last year this trip was taken to Wichita.

Members Aid Interest To Public Speaking

N.F.L. one of the many organizations at G.C.R.H.S. standing for the National Forensic League, was sponsored by Mr. Kenneth W. Bogue. The officers of N.F.L. were President Stanley Bogue; Secretary, Trudy King; and Treasurer, Becky Lattimore. This club was made up of 17 members who met once each month. The purpose of N.F.L. was to promote the interests of interscholastic debate, oratory, and public speaking.

Students in the National Forensic League accumulate points in such things as service speeches, contests and debates. Each member of N.F.L. has a Key to be worn. A jewel which is located in the key denotes the degree that a member of N.F.L. has earned. The emerald symbolizes the degree of honor, the sapphire the degree of excellence and the ruby the degree of distinction.

The National Forensic League is known throughout the entire continent. It boasts of such well-known members as a former president of the United States and several United States Senators and Representatives. Many top flight names for the motion picture and television industries are listed in the memberships of this club. The national president of N.F.L. is United States Senator, Karl E. Mundt.

School Life

Horse back riding, skating parties, and box suppers, were only a few of the activities enjoyed by the students during those early years. In 1925, a tingling sound in the halls announced the arrival of the newly installed telephone. During that same year, chapel periods were held each Thursday morning with various students and clubs planning the program.

Yearbook Royalty

Trudy and John Are Prince and Princess

Yearbook Prince and Princess candidates were nominated by each club and organization. All students who bought a yearbook were then eligible to vote for the two candidates of their choice. Receiving the most votes were Trudy King and John Battin—two senior candidates. Both are quite active in school activities. Trudy is A-team cheerleader, member of FHA, Y-teens, Pep Club and NFL. As a result of her exceptional musical ability, she was selected to play in the All-state Band and has attended district and state music festivals for all four years. She plans to attend Wichita University next year where she will major in music. John has lettered in basketball, and football for three years, track—one and played on the state basketball team as a junior. He is a member of U-Club and Pep Club. He plans to attend Hays next year and major in dentistry.

The other candidates and a few of their activities were: Linda Buckner—cheerleader, debater, member of NFL, Y-Teens, Pep Club, FHA, and very active in all speech work, Marvin Shelite—lettered in basketball, played on the state team, member of U-Club and IAC, Linda Lowry—cheerleader, active in Y-teens, Pep Club, FHA, Hadley Hall—although only a sophomore, has played on the A-team in basketball, lettered in football and track the past year, member of U-Club, Sue Lofland—officer in Y-teens, member of Pep Club, FHA, Wilbur Pressnall—participated in various sports, member of U-Club, Eugene Spencer—plays basketball and other sports, member of U-Club, Linda Sullivan—cheerleader, officer in FHA, member of Pep Club, Y-teens, Linda Walters—member of Y-teens, FHA, Pep Club, Business manager of Yearbook and Charles Smith—class officer, and member of Pep Club.

Journalism Students Record School Year

The 1961-'62 Tiger Staff found themselves in busy confusion as they worked to produce a yearbook that told through pictures and copy the events of the school year.

Twelve members made up the staff: Helen Shaw, editor; Becky Lattimore, Asst. Editor who was also responsible for the administration and class section; Verneene Trueblood and Linda Walters in charge of student life section and senior section; Betty Randles, Jerilyn Wise, and Shirley Sams completed the club section; David Kliewer, classes; John Battin (photographer) and John Elliot, sports; and Doug Freed and David Kepley, photographers and division pages.

The staff asked each club and class to nominate a boy and girl to run for Yearbook Prince and Princess and each person who purchased a yearbook was given a vote. Other projects included those for raising money: concession and selling mascot jewelry.

With many extra hours of work after school was out, another year was captured in The Tiger.

Juniors Produce Hit In "Almost Summer"

Low Grades, summer vacation and romance, created the atmosphere for the play production of "Almost Summer" presented by the Junior Class, Tuesday, March 27.

The cast included:

Allan Cladwell .....Paul Jones
Paula Alford .....Jane
Karla Evans .....Mary Jones
Glen Lamberson .....Jack
Butch Lambert .....Mr. Jones
Janice Kepley .....Mrs. Jones
Loren Nodine .....Junior
Janie Britton .....Lilah Johnson
Chuck Neal .....Mr. Smudgely

Direction was by Mr. Kenneth Bogue with Louise Gordan as student director.

As a result of these low grades, summer vacation and romance, "Paul" faced the prospect of giving up a summer at the beach to attend summer school. "Jack" in an attempt to help, stole the answers to the final exam and got "Paul" into even deeper trouble. In the end all problems were solved and applause brought down the curtains.

Student Life

Homecomings, Rallies, Parties, Work, Play

August 23 saw the starting of another year at GCRHS as the school building came alive after three months of preparing for the students again, and the halls were filled with a rush of excitement as new and old students began to greet each other. Lockers were assigned and the first assembly was held in the auditorium where the students met the new principal and were introduced to the faculty.

By September the class schedules were straightened out, and everyone had settled down to the routine of nine months of study, fun and happy memories. The seniors had pictures taken, and the juniors ordered their class rings and announcements. The debate teams attended a clinic to start a year of successful debating.

In October the Yearbook Staff held a conference here while the debate team went to its

first meet at Russell. The band, which had performed several times before, made a trip to Alva, Oklahoma.

One of the main events in October was Homecoming. The royalty was selected and we saw the first defeat of the season in football. Among other activities, the debate teams saw a lot of action in the various debate meets.

November and December combined were eventful months for the students at GCRHS. Ulysses held its annual novice debate tournament, while the band was busy marching at various engagements. The Christmas Parade at Garden saw the Ulysses band, of over ninety, turn out in full color. Near the end of December the chorus appeared for the first time with a vocal concert shortly after the band had given a concert.

Then came the awaited Christmas vacation. The students brought in the New Year and started on the last semester of their school year.

The next two weeks after vacation were filled with six weeks and semester tests. Everyone seemed to be cracking the books.

By January, basketball season was well in progress. The Tiger varsity went to the Scott City invitationals and downed the Hays Cadets for first place and to take the number one rating in the state.

At the beginning of February the FHA sock hop was one of the first activities. A few short days later the basketball homecoming was held. The royalty and their court were crowned and the Tigers celebrated that night after a victory over Liberal, at the Homecoming dance.

Tournament time was finally approaching after long months of training and work in all fields of school life.

The basketball team breezed through an undefeated season, took first in district and second

The music department came out in March to show their musical abilities at contest. The students brought home many honors. Fifty percent of the ratings were ones. Many of the students went on to State Music Festival.

The Juniors worked hard to give the fine performance given on their junior play. At the same time they were laying plans for the Prom. The Prom was a smashing success and the seniors enjoyed and appreciated the formal given in their honor.

Other activities during the month of April were the band part and style revue. The Industrial arts class took their annual trip, and from all reports given the trip was educational as well as fun.

The track team had meets and tournaments. The Tigers seem to never lose their steam as they were still bringing home winners.

The last lap of school had really begun when Open House was held at the high school.

The seniors were in the limelight as Class Day, Baccalaureate, and Graduation came into view.

The hustle and bustle in the halls grew. The lockers were being cleaned out, final tests taken, bills paid, and report cards to receive before the final day of school.

Prom and Banquet

Gay Paree is Theme of Jr.-Sr. Prom

The senior class of 1961-62 was honored at the annual Jr.-Sr. Prom and Banquet held April 27. This prom and banquet, planned, financed, and constructed by the junior class is one of the highlights of the year.

Work was begun several weeks in advance; the theme decided upon, committees appointed, and materials ordered. After much discussion and arguments pro and con, "Gay Paree" was selected as the theme.

The Eifel Tower and various frames used were constructed by the boys in shop with the help of Mr. Major and Mr. Melcher. The bleachers were removed from the old gym. Card tables were placed under the balcony and the walls completely covered with brick like paper. When flower boxes were added along the edge of the dance floor, the gym could have passed for a sidewalk cafe in the middle of Paris. A fountain in the middle of the dance floor plus the model of the Eifel Tower served as the main points of interest.

Finally the big night arrived. At 6:30, all the juniors and seniors and faculty members gathered at Sullivan Grade School Cafeteria for the banquet. The food was made and served by the juniors' mothers with some assistance from the sophomore servers. Included on the program was Mary Ann Clarkin—welcome, Stan Bogue—response, and Bob Martin—speaker.

After eating, everyone moved to the old gym where the prom was to be held. Music was supplied by the Dodge City swingband. Hadley Hall gave a pantomime and Paula Wilson sang "April in Paris."

Athletics

The first sport to be taken up by the new school was baseball, but because of inability to schedule games with other towns, the athletes minds turned to basketball. As there was no indoor court, they were forced to practice outside whenever the weather permitted, which wasn't often. Because of lack of practice, the Tigers lost every game that first season. Girls as well as boys basketball teams were organized, and in 1925 seven boys and eight girls lettered.

Tennis was another popular sport for both boys and girls. Five cups were won in 1925.

The first track meet was held between Elkhart, Hugoton, and Ulysses in 1914.

In October of 1959 the Tigers played their first football game under lights and defeated Kismet 32-14, racking up an undefeated season. The present stadium and field house were added in 1958.

Pep Club Led Through Successful Year

After spending a fun-filled week at a cheerleading camp, the six cheerleaders of G.C.R.H.S. ably led the pep-club and student body through two of the finest seasons in the history of the school. Through the great work and practice, it took, emerged one of the finest pep-clubs in this part of the state. With three seniors, Iris Schmidt, Linda Buckner, and Trudy King, one Junior Connie Stewart, and two Sophomores Linda Sullivan and Linda Lowry, leading the section through the trials and tribulations of the athletic part of the year. These girls became known throughout the halls of G.C.R.H.S. in their new cheerleading outfits of orange and black. This great year would not have been possible without them.

Grid Squad Posts Record of 6-1-2

Seven returning lettermen comprised the squad of 53—John Elliot, Bill Gettler, Charles Melcher, Ken Young, John Battin, David Meyer and Buddy Finch. Head football coach Herb Bender is in his 6th year as coach at GCRHS and was assisted by H. D. Hale and Don Gleason. Gerald Raines handled the freshman squad.

The Tigers began the season on the right foot by downing the Leoti Indians 26-13. Leoti held a 7-0 margin during most of the second period, but the Tigers tied the score before halftime and then went ahead to stay in the third quarter, scoring two touchdowns and one more in the final quarter.

After the Indian clash, the Tigers won a 59-13 contest against Meade. During the chilly evening the Tigers crossed the Buff goal line nine times.

victory in a row. The game was played at Lakin on a sultry autumn afternoon as the Tigers dominated the action all the way to drop the Broncos 33-0.

Playing on the home field again, the Tigers kept their winning streak alive by meeting and defeating the Kinsley Coyotes 20-0.

From here the Tigers kept its unbeaten record intact, but it was a frustrating night for both teams as they struggled to a bruising 6-6 tie at Liberal. Frequent fumbles, penalties and injuries made the game a long affair before its completion.

Going into the "Homecoming" game against Hugoton, the Tigers took a disappointing defeat, 10-7, when the Eagles handed them their first loss of the season. John Battin, a senior end and Richard Martin, a junior guard, missed the action due to injuries.

After winning their next game against St. Marys of the Plains 26-0 and closing their home football season with a 21-0 win over Scott City, Ulysses lost to Guymon 42-6 to end the Football season and give them a season's record of 6 wins, 2 losses, and 1 tie.

Over the nine game '61 football season the Tigers lost only two games, tied one, and won six. They scored 204 points to 84 for their opponents.

Football Homecoming

Queen Verneene and King John Reign

On the evening of Oct. 20, a great deal of suspense was in the air as four hopeful queen candidates, Verneene Trueblood, Senior; Susan Schoonover, Junior; Barbara Dixon, Sophomore, and Lyvonne Miligan, Freshman, were wondering which of them would be crowned queen at the annual 1961 homing ceremonies.

The candidates who were driven around the field in four convertibles, were beaming with happiness. The cars ended their turns and the candidates were escorted onto the field by the King candidates. A hush fell over the crowd as John Elliot and Verneene Trueblood were announced and crowned. The queens attendants, Susan Schnoonover, Barbara Dixon, and Lyvonne Miligan, were presented flowers by their escorts, Wilbur Pressnell, Mickey Bessire, David Graber. The queen and her attendants were then escorted to the side line, where they reigned for the remainder of the game.

Basketball

Tigers Roar Through A Successful Season

November 6, 1961, was the start of the most successful basketball season that GCRHS has ever had. Coach Gerald Raines started the season with 28 boys, and 21 of these remained out. There were 7 veteran seniors to lead the way along with 3 juniors and 11 sophomores. The Tigers, although they didn't find their way to state, set many records: scoring of 85 points in one game, winning 22 in the new gym without a defeat, going through a complete season of 19 games without a defeat.

The experienced Tigers journeyed to Leoti to start the 1961-62 season. Ulysses, having an all senior starting five, had little trouble in winning their first victory 62-33.

Using a fast break and a full court press, the Tigers piled a 33-3 score for the initial period against the Hooker Bulldogs, which gained them their second victory of the season. The game ended 72-40.

Starting with a rush, the Tigers opened the second road game with a 10-0 lead against Lakin, but the Broncs refused to be stampeded. The Tigers won 70-51 for their final game before the Christmas Holidays.

For the Tigers' third road game, they handed the Kinsley Coyotes their second loss of the season 70-49, as the Tigers were hitting the mark from way out. Gettler, Battin, Melcher, and Young had a successful outside game.

Running their victory to six, the Ulysses Tigers played on Friday night and clawed the Liberal Redskins 65-39. Then on Saturday night the Tigers appeared before the home fans for the second time during this season to smother Elkhart by a score of 62-36.

Next attraction was the annual Scott City Tournament. Moving into the first round of play, the Tigers defeated the Hugoton Eagles 74-50. In the second round of play, the Tigers met the fired up Leoti Indians. Leoti managed an early 8-7 lead and tied the score twice, but the Tigers came out with a 63-47 victory. On the final night the Tigers met the favored Class AA St. Joe Cadets. The Tigers had met their emotional peak and played an almost perfect game. This game was a team effort; four of the Tigers broke into double figures in the scoring column. The game gave the Tigers a big victory 75-62.

Returning to regular season play, the Tigers traveled to Hugoton and had to rally to avoid a king size basketball upset. The Tigers were behind until the final seconds when Ken Young hit a clutch fielder and John Battin a free throw to give the Tigers a 50-48 victory.

Ulysses, voted number one team in the state, ran their winning streak by defeating Guymon 52-34 and Syracuse 50-33.

Ulysses kept its home court win record intact by next topping St. Marys 54-33. Coach Gerald Raines switched the Tiger line-up frequently, using team players with eight of them breaking into the scoring column.

The Tigers kept the homecoming alive by beating the Liberal Redskins 66-56. Then meeting Hugoton for the third time, the Tigers had little trouble downing them 56-16.

Ulysses Tigers romped past the Guymon Tigers 74-42. The winners hit at a torrid 50 percent pace from the field, while Guymon sank 17 of 47 for 36 percent.

Traveling to Meade, the Tigers met a new high in scoring for one game, notching their 17th straight victory 85-49.

a 71-49 victory. Hadley Hall paced the Tigers with 17.

Finishing their regular season basketball at Scott City, winning 67-49, the Tigers went the route of 19 games without a defeat.

After finishing the season's play, the Tigers moved into the District Tournament. The tourney was held on the Tigers' court. Drawing a Bye for the first night, the Tigers suffered from tournament jitters the second night of tournament play, but came ahead to beat Leoti 49-39. In the final game the Tigers met the Scott City Beavers to take the championship game 65-46. This game gave them and the Beavers the chance for Regional play.

The Regional tournament was played at Scott City. The Tigers played the Goodland Cowboy's in the opening round and won 63-49. Then on the final night the Tigers were defeated by Colby 53-65 to end an outstanding basketball season.

Junior Varsity

Ends Season With Record of 13-3

The Junior varsity, coached by Dale Cole, ended their season with a 13-3 record. The Junior varsity was made up of mainly sophomores. The B-team started the season with two big wins over Leoti and Hooker, then they met their first defeat against the Lakin Broncs. After the Christmas vacation, they rolled over Kinsley, Liberal and Elkhart. This made a 5-1 record until the Scott City Tournament, in which some of the Junior Varsity members took part.

After the tournament the JV's lost their next two games against Hugoton and Guymon, then went on to win the rest of their games; Syracuse, St. Mary's, Liberal, Hugoton, Guymon, Meade, Lakin, Scott City.

Freshmen

Squad Wins 17 for An Undefeated Season

The Tiger freshmen, coached by Herb Bender, completed an undefeated season for both A and B teams. The freshmen ended their season with Johnson and winning 74-35.

The undefeated A freshmen played in the last two varsity B games as seasoning for next years' varsity squad.

Homecoming Royalty

Carol and Bill Reign Over Homecoming Game

There was a packed house on February 9 as the Ulysses Tigers played the Liberal Redskins for their homecoming game. An air of suspense settled over the gym as the king and queen candidates were announced. While the band played, the pep club members formed an X across the gym floor. Then as silence settled over the gym, Carol Gepner and Bill Gettler were announced as the new King and Queen. Randy and Vicki Raines, children of Coach Raines, handed the crowns to Carol and Bill and the traditional kiss was exchanged. The crowd then broke out in applause and cheering as the happy couple walked back to their royal seats.

After a resounding victory over the Liberal Redskins, the Tigers adjourned to the old gym for their annual Homecoming dance, reigned over by Carol and Bill.

Other candidates and their escorts were Melody Aker, and Jim Howard—freshman, Donna Dearing and Derald Winger—sophomores, and Connie Stuart and Kenny Nash—juniors. The student body had voted on the candidates which had been nominated by the basketball boys.

Golf

Golfers Have Fine Season

Ten boys were out for golf this season under the coaching of Mr. Don Gleason. They first entered the Garden City invitational and placed second in the two man team competition. From there they lost their second match to Lakin, but won the next two; one from Hugoton and one from Plains.

The golfers were Steve Fox, Dave Field, Richard Elliot, Keith Bogue, James Dillon, Ernie Holt, Bill Cheek, Gary Cheek, and Andy Flummerfelt.

Wrestling

Grapplers Start Slow; Improve Through Year

After a layoff of a year, wrestling was added to the athletic department of GCRHS with Don Gleason as head coach. Starting the season off with twenty-four boys, chances for a fair season looked good, although many of the boys were inexperienced. As the season progressed the boys gained a great deal of experience from their opponents which should help the team next year.

Raymond Hacker and David Meyer went to Regionals, at Oberlin. David failed to place although he won his first match and Raymond, losing his first match, was eliminated.

According to the number of fans at meets this year, wrestling will gain in popularity next year. The team compiled a record of 0 wins and seven losses.

Track

Coaches Herb Bender and Gerald Raines and Tracksters had the best season that has ever been accomplished. The Tiger squad of 35 worked very hard to have a good season. There were eight seniors, eight juniors, twelve sophomores, with nearly half of the squad being made up of seventeen ambitious freshmen.

It was a cold windy day when the Tigers went to the Sterling relays. The only outstanding event was the shot put, which John Elliot heaved fifty one feet, eight and three-fourths inch to break the school record. The next outing, the Tigers went to the Garden City Relays, where they scored eighteen points to place seventh. David Kliewer set a new school record in the mile run when he ran it in four minutes and fifty six seconds. This was the first time anyone from Ulysses had ran it in less than five minutes. Again John Elliot won the shot put.

The Tigers worked hard the next week in practice and it payed off when they won the big Syracuse Relays. They only had one first place, the 880 relay, but rolled up 31.5 points to bring home the big trophy.

On a beautiful Saturday, the Tiger track team went to the Dodge City invitationals.

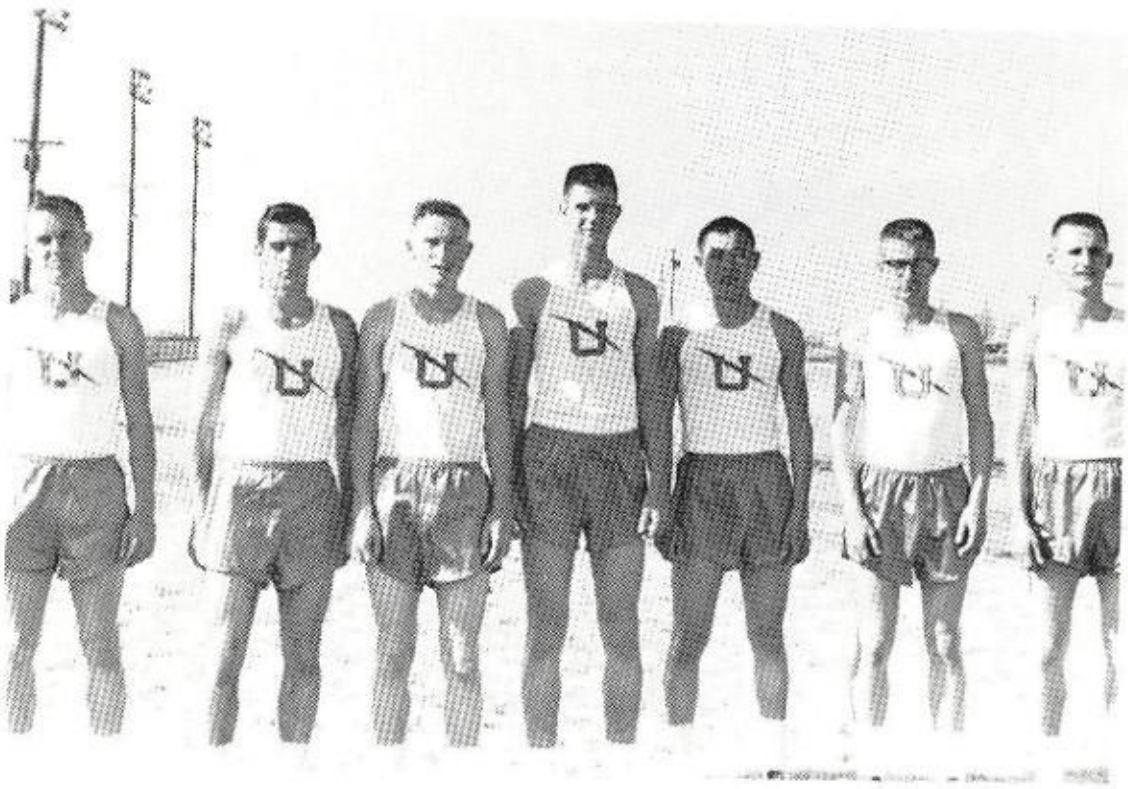
Hadley Hall runs hard to win the open 220 at the Syracuse relays.

Bill Gettler, James Moore, Lloyd Howard, Butch King, Wayne Akagi, Mick Brewer, Gene Spencer, were tough competition in the field events.



There they placed fifth, where again the only first place was Big John Elliot's shot put throw. This time he broke his own record with a fifty-two foot five and three-quarters inch throw. This meet was the first time the Tigers ran a 440 relay, where each runner goes 110 yards. Dodge City was also the only meet this year where A, AA, and B schools competed together.

The Tigers faltered at the Scott City Relays, the biggest meet held this year. This was the day of the Jr.-Sr. prom and the Tigers weren't at their best. However, the mile relay did place second to qualify for Regional competition.

After doing poorly at Scott City, the Tigers were fired up and determined to win at the Hugoton meet. There they rolled up seventy team points to win first place.

The last meet for most of the boys was the Regional meet held at Scott City. The 880 relay team placed third which qualified it for State and John Elliot also placed third to qualify. The other events did not qualify for State competition.

At State, John Elliot qualified, but just placed sixth in the shot, and the 880 relay did not qualify for the finals.

Bill Gettler, Charles Melcher, Ken Nash, ran the hurdles.

Gene Spencer hands off to Hadley Hall, while running the 880 relay.

Student Body

In 1911 twelve freshmen and three sophomores enrolled at the new school. Madison Alexander was the first of those to graduate in 1914. Since that time, 1,017 Grant County Youth have received their diplomas, with this year's class of fifty-five being the largest ever to graduate. The number of pupils has increased from an enrollment of fifteen in 1911 to 321 in 1962.

Juniors

With one year yet to go, a year of added responsibilities, the juniors realized and faced the new challenges they had to meet in 1962-63, including those of providing class leadership, and carrying on the traditions of GCRHS as well as adding new ones.

The class, consisting of sixty-seven students, chose the following officers:

President .....Mary Ann Clarkin
Vice-President .....Loren Nodine
Secretary .....Connie Stuart
Treasurer .....Janice Kepley
Reps. .....Glen Lamberson
Yaroslaw Petryszyn

The traditional Junio-Senior Banquet and Prom was the highlight of the spring social season, and the juniors put in much time and effort to make it the success it was. Among other activities in which the class participated were the class play and various money making projects.

Sophomores

The sophomore class of nineteen-hundred and sixty-two consisted of eighty-six members. They were led through the year by these elected officers:

President .....Betty Stutzman
Vice-President .....Derald Winger
Secretary .....Linda Sullivan
Treasurer .....Claude Alexander
Student Council Representative.....
.....Donna Dearing
Student Council Representative.....
.....Gary Cheek

The class was active in school and club activities. Part of the girls were in Future Homemakers of America, Y-Teen, Pep-Club, and Student Council. Some of the sophomore boys were in the Industrial Arts Club, Pep Club, and Student Council, and there were some U-Club pledges.

There were sophomore boys out for all sports offered by the school and girls who helped lead the Pep Club by performing as cheerleaders.

Freshmen

On August 28, 1962, the Grant County Rural High School was flooded by a group of ninety-two Freshman. It was the largest freshman class in the history of G.C.R.H.S. After they had finally learned where all the rooms were and what their teachers names were, they were given the task of electing their class officers. They had a little trouble at first, but with the help of their sponsors, Mr. Raines, Mr. Montoya, and Mr. Gregory, they did the job. They elected the following students as officers:

President .....Mike Brewer
Vice-President .....Penny Garrett
Secretary .....Debbie Watson
Treasurer .....Waundonna Williams
Student Council Representative.Wayne Akagi
Student Council Representative.Bette Chinn

For initiation the freshman gathered wood for a bonfire held the night before the first home football game.

The B team cheerleaders consisted of four freshmen girls and there was good participation in all sports by the freshman boys.

Freshman class officers, Bette Chinn, Penny Garrett, Debbie Watson, Waundonna Williams, Mike Brewer, and Wayne Akagi, set on school house steps.

Deanna Miller, Lurita Gray, Sue Elliot, Bette Chinn, Rita Sullivan, and Vicki Lowry study under a tree in front of the school.
